All the dignitaries, after lamp lightening ceremony, were extended floral welcome by introducing innovative ideas of bamboo plants. Students then presented Saraswati Vandana.

Welcome address was delivered by the Principal Prof. C.M. Jain. Course coordinator Dr. S.K. Joshi, gave details

about the four day training and explained the objectives of CALEM through PMMMNMTT. Resource person Prof., Parvaiz Talib in his short speech circulated the idea that

teachers are nation builders and must be always resourceful. Guest of honour Dr. N.S. Tyagi very lucidly with the help of examples explained the idea of leadership and differentiated between resources and potential resources. Chief guest Dr. C.S. Shukla opined that trainings like this are very beneficial and bring positive changes in the knowledge, experience, habits, attitude, skills and behavior of the participants. Best wishes were extended by Dr. Preeti Khanna, Head, Department of Education. Anchoring was done by Dr. Shika Tiwari and Dr. Reshu Sharma.

Session -I

Topic: Effective Leadership and Strategic Planning

Resource Person: Prof. Parvaiz Talib, Dept. of Business Administration, AMU, ALIGARH.

After high tea, technical session started. As the theme of the first technical session was on effective leadership and strategic planning, the resource person for the session Prof. Parvaiz Talib, made 6 groups from all the participants. Groups were asked to discuss among themselves on "Privatization of Education".

After the discussion the group representatives were called to the stage for a final discussion but the purpose was to analyze leadership qualities for the participants. Prof. Talib pointed out qualities of a leader as responsibility, communication ability and thinking ability. Prof. Talib propagated that a leader has the ability to get along as well as to take others along.

Session – II ,III and IV

Topic: Challenges of Teacher during IV Industrial Revolution and Conflict Resolution and Management / Distributed Leadership and Diffusion Of Authority And Effective Decision Making.

Resource Person: Prof.Parvaiz Talib

Technical session II was on challenges of teacher during IV industrial Revolution and the resource person for the same was again Prof. Talib. This was a fun filled activity session which was enjoyed by the participants.

Session III was on conflict resolution and Management / Distributed Leadership and Diffusion of authority and effective decision making. All the participants found this session very relevant and derived maximum practical benefits. The resource person Prof. Talib was able to establish a rapport with the participants and was able to feel the positive vibes in the groups.

Day concluded with the session IV on experience sharing group work and take away key learning / implementation ideas. The session had active participation from the group as well as resource person Prof. Talib. In the end resource person Prof. Talib was honored with a memento and shawl by the Principal and the course coordinator.

Day - 2 (26.04.2019)

Day -2 of this training programme started with lamp lightening. Resource person for first two sessions was Dr. Nawabuddin, Training and Placement Officer, B.R. Ambedkar University, Agra. A formal welcome was extended to the resource person by presenting him a bamboo plant.

Technical Session - I

Topic "Student Support Services and Placement, Grievance Redressal and Handling Student Issues.

Resource Person – Dr. Nawabuddin, Training and Placement Officer, B.R. Ambedkar University, Agra.

Session - I

Session 1 was a very beneficial talk on the importance of Training and Placement in any educational institute. Dr. Nawabuddin said that student is the most important stakeholders of an institute and so must be given full attention. A system and its policies should be students centric. For a proper placement of students, good training should be arranged in the form of aptitude tests, group discussions, career counseling and awareness to identity career objectives. Such trainings are essential as we have qualified persons in bulk but a very less no of them is employable.

There are good options of jobs in higher education. In Government sector, private sector, and entrepreneurship there are much opportunities to use one's skills and earn money. In this direction he emphasized on entrepreneurship as the best option and there are number of institutes to empower students in this direction. He gave details of such institutions and told about social entrepreneurship also.

He further said that there must be grievance cell for students in every institution.

Session - II

Challenges of Teachers During the Fourth Industrial Revolution Resource Person – Dr. Nawabuddin, Training and Placement Officer, B.R. Ambedkar University, Agra.

n the II Technical Session of Day 2, Prof. Nawabuddin discussed the challenges faced by the teachers while dealing with their students. Telling about all the four industrial revolutions and their achievements, he said that in fourth industrial revolution "Internet of Things" is underway. There are human based and didactical challenges as a teacher is supposed to treat a student understating his psychology and his potential. At the same time teachers also are supposed to bring necessary changes or modification in their mind set according to the need of the hour. They should be ready to adapt to new technologies and updated methods of teaching. Then to fulfill the demands of this changed mind-set appropriate organizational set-up is required, and this is the next challenge. Prof. Nawabuddin gave details of technological terms like cloud computing, artificial intelligence, robotics, data science etc. He said that a student must be trained according to the need of industry. Industry academic gap while still exist in developing countries should be bridged. He discussed in detail about 10 core life skills under social, thinking and emotional skills. Towards the end an open house discussion was held on pros and cons of technology based teaching. Vote of thanks was extended by Dr. Amit Kumar Singh from R.S. M. College, Dhampur. Dr. Singh appreciated many topics taken by him like student's centric teaching and social entrepreneurship etc. Prof. Nawabuddin was felicitated with a shawl and memento by the Principal of the college. Session was well conducted by Dr. Shikha Tiwari and Dr. Reshu Sharma.

TECHNICAL SESSION III and IV

Topic: Technology Enabled Process

Resource Person: Prof Shahid Farooq, Dept of Geology, AMU, Aligarh

As the name suggests, the session was totally dedicated to the use of digital technologies in TLP. Prof. Farooq professed the use of internet to design teaching learning materials for students. He said elearning can be a great help for global access to education. Prof. Farooq also showed some video clips and a very informative PPT. Being a professor of Geology, sir used many illustrations from the subject geology to make the lecture more interesting. Participants actively interacted with the resource person. These two combined sessions were a profound blend of art and technology.

DAY 3 (27.04.2019) TECHNICAL SESSION I and II

Topic: Quality Assurance

Resource Person: Prof Shahid Farooq, Dept of Geology, AMU, Aligarh

Prof. Shahid Farooq was quite happy with the engagement of all the participants in a very active manner throughout the lecture previous day, so he brought many topics together under the wide domain of quality assurance. Sir kept his lecture crisp and accurate, so as to maintain the interest of trainees and also to cover maximum points.

Prof. urged that teacher is learner throughout life and should never stop learning. As a suggestion Prof asked to use Youtube decisively in designing lectures and content.

As student is the most important stakeholder of the whole educational system, all our activities must be directed towards the same. In the end of the session, Prof Shahid Farooq was honored by a shawl and memento by the principal of the college and course coordinator.

Vote of Thanks was given in the most profound manner by Dr. Preeti Khanna.

TECHNICAL SESSION III and IV

Topic: (i) Use of ICT and process reforms for improved internal governance.

(ii) Reforms and new initiatives in higher education.

Resource Person: Prof. Pradeep Kumar Mishra, Former Head and Dean, Dept of Education, CCS University Meerut.

For these two sessions, the level of activity, interactivity, presentation and interaction was so high that session fell short of time. Prof. initiated the session by forming 10 groups among the participants. Every group was given a theme to be discussed for 15 minutes. After the discussion

chart paper and pens were provided for pictorial representation in 30 min. Then turn by turn every group explained their chart to the house.

Resource person then summarized the activity followed by a power point presentation. Power point truly justified its name as Prof. Mishra threw spotlight on each and every aspect of governance which leads

to exemplary leadership and management. Principal of the college was also very delighted by the sessions.

Resource person was honored by memento and shawl. Vote of Thanks was delivered by Dr. Devki Nandan Joshi, from Govt. Degree College, Ramnagar (Nanital).

DAY 4 (28.04.2019) TECHNICA SESSION I AND II

Topic: Institutional Ranking: Indian and International Perspectives /Strategies for Academic Excellence and Interface with Regulatory Bodies.

Resource Person: Mr.Nihaluddin, Former OSD, JMI, New Delhi.

Mr. Nihaluddin was welcomed by a badge and a bamboo plant. Resource person gave a very informative lecture on the working methodology of various regulatory bodies and suggested many perspectives for their ranking. He talked in detail about the hierarchy of authorities. He clearly chalked out the difference between the functioning of partially funded and fully funded colleges, between affiliated colleges and central universities. He threw light on the challenges in different systems and discussed the ways to cope up with such challenges. He also brought to light certain things being done in private and partially funded institutions which sometimes spoil the system or even exploitation of system. He also discussed the opportunities availed by premier institutions like IIT and IIM. Towards the end of the session participants became very curious and eager to resolve their queries.

Some of the participants even requested the contact details of resource person to further clear their doubts of some topics.

TECHNICAL SESSION III Topic: Feedback

Resource Person: Dr. Sunil Kumar Joshi, Course Coordinator, CALEM -2019, Vardhaman College, Bijnor.

Real success of the program lies in the feedback by trainees. Participants gave their valuable feedback .Few important suggestions given during the feedback session were

- 1. A session on MIS i.e. Management Information System must be included.
- 2. Session on Governance must have one open house session.
- 3. More activity based sessions should be conducted.
